Four Wheel Drive Victoria Training Ground

Four Wheel Drive Victoria has recently acquired and signed a license for a training ground to be developed at an old quarry in Toolangi. Development is planned to start in the later parts of 2021 and is a very exciting opportunity. This development will allow clubs the positive experience of running training courses for their clubs from this venue as well having Four Wheel Drive Victoria run training courses from here as well.

Don't Forget Those Volunteer Hours

To ensure we meet our volunteer KPI's with the Government we need to make sure that clubs and members record any volunteer work that you are involved with. Volunteer work includes simple things like clearing fallen trees as well as track clearing, camp host, clean up the bush and any other charity or volunteer work your club does. You can easily download the volunteer data collection forms from our website or from our Closed Facebook Group page.
