Share your views on the activity centre at Cape Conran Coastal Park

Parks Victoria is seeking community input into the rebuild of the Banksia Bluff activity centre at Cape Conran Coastal Park which was burnt during the 2019/20 summer bushfires.

We are keen to hear from a variety of visitors and campers, along with educational and special interest groups to help understand the future usage and requirements for the activity centre.

The survey will be open from Monday 16 November until Sunday 13 December 2020.
